Re: Summons Return of Service Case Number 1:07cv469

To whom it may concern:

Please find unexecuted returns of service and summons' for Case Number 1:07cv469 enclosed.

Plaintiffs contracted a Private Process Server to serve Defendants with Summons for Civil Case Number 1:07cv469 per Local and Federal Rules of Procedure. Defendants refused service, instructing Summons be served on CSC in Richmond Virginia. Defendants would not provide the process server with the address or phone number for CSC.

Thank you for your time in this matter.
